

Organic Sconce

Organic Sconce

Previously presented as well, this solution is entirely composed of an organic structure reminiscent of the sea.
With intricately handcrafted details, this model offers three options.

Three options were created.

Option 1:

The first features a hand-sculpted structure in transparent resin with polished high-gloss brass details.

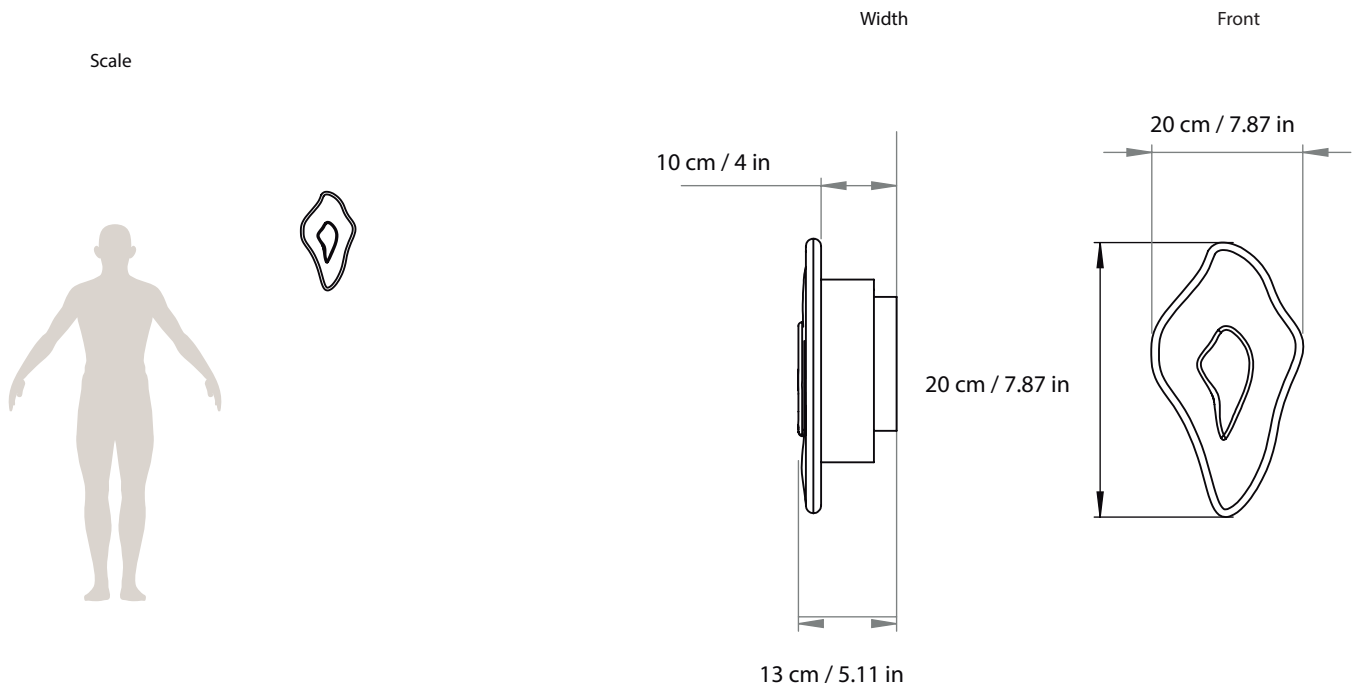

Option 2:

The second option, also in resin, comes with a brown pigment.

Option 3:

The third option is entirely in polished brass with a high-gloss varnish.

The piece has a distance from the wall of 10 cm / 4 in,
Maximum depth of 13 cm / 5.11 in
Height of 36 cm / 14.17 in
Width of 20 cm / 7.87 in
